Welcome to our website! We want to make your browsing experience as smooth as possible, and to do that, we use small files called cookies. These cookies contain information that helps us understand how you use our site, enabling us to provide and improve our services.

Here's a breakdown of the types of cookies we use:

1. **Analytical or Performance Cookies:**

- Help us count and recognise the number of visitors.
- Provide insights into how visitors navigate our site, allowing us to enhance its functionality.

2. **Marketing and Targeting Cookies:**

- Record your website visits, pages viewed, and links followed.
- Tailor our website and ads to match your interests.
- May be shared with third parties like Facebook and Google for a more personalised experience.

You have the option to block cookies through your browser settings. Keep in mind that blocking essential cookies might limit your access to certain parts of our website. It's worth noting that some third parties, like advertising networks and web traffic analysis services (e.g., Facebook and Google), also use cookies. While we don't control these third-party cookies, they likely fall into categories such as analytical, performance, or targeting cookies.

Your privacy matters to us, and we strive to ensure your online experience aligns with your preferences. If you have any questions or concerns, feel free to reach out. Enjoy your time on our website!
